KEY FACTS

SAKAN is backed by a strong shareholder base of over 9,000 stakeholders across six SLCCs, reflecting deep-rooted local strength and partnership. The company is officially registered with OPAL and JSRS, ensuring full compliance with Oman's oil and gas industry standards.

We operate under internationally recognized certifications, including HACCP, ISO 9001:2015 for Quality Management, ISO 22000:2018 for Food Safety, ISO 45001:2018 for Occupational Health & Safety, and ISO 14001:2015 for Environmental Management.

With a proven track record, SAKAN is actively delivering services across major projects in Oman, particularly within the oil and gas sector, demonstrating reliability, quality, and operational excellence.
